Dear Bruce,

On behalf of the Conference Organising Committee and Australian Young Water Professionals (YWPs) Network, we would like to offer you our most sincere appreciation for the tour you gave on the Eco Industrial Estate. Your presentation gave our delegates a wonderful opportunity to hear about the implementation and feasibility of incorporating environmentally sustainable practices in regards to industrial site construction. For many of our delegates it was the first time they had an opportunity to view a site of this nature. The feedback indicated that your presentation and interactions with the YWP conference delegation was thoroughly enjoyed by all that attended the site visit. They very much admired your passion for the conservation of the environment.

Once again, on behalf of the Australian YWPs we would like to thank you for an excellent talk, as well as your valuable time, support and insights which assisted in making the conference a great success.

Kind Regards

Dr Sandra Hall and Ms Shoshana Fogelman
