Dear Mr Mitchell

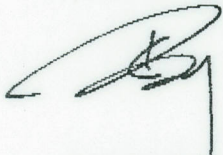

Gold Coast City Council site visits to Mitchell Enviro Industrial Estate

The Economic Development Branch of Gold Coast City Council would like to express our appreciation of the time you have taken to showcase your environmental and sustainable focused industrial estate. Over the past two years and through your ongoing assistance, Economic Development has facilitated a number of site visits at your estate that include:

- a) Delegations from the Local Government Managers Association of Australia and officials and international delegations from such countries as China and Indonesia
- b) Hosting the Gold Coast Regional Economic Development Advisory Board (REDAB) quarterly meeting comprised of business and industry leaders on the Gold Coast
- c) Businesses either looking to relocate or expand into the estate or businesses with environmental technology looking at utilising the site for further testing and commercial demonstration

Everyone that has had the opportunity to visit the estate, recognises your passion and dedication to the project. If you have any questions or require any further information, please do not hesitate to contact Garnet Radford on (07) 5581 7543 or email gradford@goldcoast.qld.gov.au.

Yours faithfully
